Hi Rashmi,

Please have your team speak with Dr Narayana Rao, understand the issue and provide a timeline. If these problems are fixed in the new dIAP platform, please direct him there.

Best,

Amit

Let's not waste any time or effort on the old platform.

Please respond formally by email to the person who has complained and ensure that you copy IAP office and the Secretary.

Please also send a formal email response to IAP that gives them the new platform URL so that IAP can send a stock response to all complaining users.

Best regards,
GK
