NEW DELHI

Dear Dr Varun Kumar Kota,

Greetings from Indian Academy of Pediatrics!

We are happy to announce the launch of our revamped dIAP website, <https://diapindia.org.in/>

The navigation has been purposefully kept similar to the old dIAP website, so it is easier for you to navigate.

A lot of content is available freely as before, however you must complete a one-time registration on the new website to access some specific content, such as:

IAP Courses  
KOL Lectures; and  
Webinar Archives

To register, please follow these simple steps:

1. On the [diapindia.org.in](https://diapindia.org.in/), go to any of the sections - IAP Courses /KOL Lectures/ Webinar Archives
2. Click on the "Register" button
3. Fill in the required details
4. Verify your email address

Once you have registered, you'll be able to access all the content resources.

Thank you for your continued support.

With Kind Regards,

Dr Yogesh N Parikh  
Secretary General, IAP 2024 & 2025

Dear Sir/Madam,

I am a member of the Indian Academy of Paediatrics and have been keen to access the digital content, particularly the online modules and intensive care lectures available through the Digital IAP portal.

However, I am currently facing issues accessing the portal, as it does not appear to be functioning properly. I have tried multiple times, but have been unsuccessful in reaching the content.

I would be grateful if you could kindly look into the matter and advise on how this issue can be resolved. I am very eager to utilize the available resources for my continued learning and professional development.

Looking forward to your guidance.

Warm regards,

Dr Varun K
